Homework Schedule

Monday: Math Sheet

Read for 20 minutes

Tuesday: Read for 20 minutes

Wednesday: Math Sheet

Read for 20 minutes

Thursday: Read for 20 minutes

Friday: Reading Log Due

Read for 20 minutes

CURRICULUM

Reading: As readers, students will be exploring the decisions authors make when organizing the events in a biography (cause/effect).

Writing: As writers, students will continue developing reading responses that include a topic sentence, supporting details, and textual evidence. We will be working on paragraph writing with our new unit.

Math: As mathematicians, students will be exploring and measuring polygons in order to calculate the perimeter of the shapes and make real-world decisions.

Social Studies: As historians, students will explore the concept of patriotism and how this is important to American culture.

A NOTE FROM THE TEACHERS

The 3rd Grade teachers invite you to join us in our celebration of the end of our creative, innovative, and notable people unit. In this unit students have been working hard to craft biographies on a notable person of their choice. We will be holding a Wax Museum on Friday, February 14th in which your student is asked to dress up as their notable person. Parents are welcome, and encouraged, to take a tour of our exhibit at 11:05 a.m. on Friday.
