CURRICULUM

Reading: As readers, students will be identifying facts and opinions within nonfiction text in order to analyze an author's point of view.

Writing: As writers, students will be conducting a small research project on the presidents of the United States. We continue to work on crafting well-written paragraphs.

Math: As mathematicians, students will be exploring polygons and fractions specifically focusing on halves.

Science: As scientists, students will be exploring fast and slow changes that cause the Earth's surface to change over time. We will also begin our unit on Weather and Seasons.

Report Cards

Report cards will be sent home on Tuesday, March 18th in Take Home Tuesday folders. While a conference is not mandatory for this round of reports, please feel free to schedule a time with your student's teacher if you have any concerns or questions regarding your student's progress. We look forward to sharing the growth your student has made and want you to know that our doors are always open.
