CURRICULUM

Reading: As readers, students will be identifying facts and opinions within nonfiction text in order to analyze an author's point of view.

Writing: As writers, students will be looking at figurative and literal language. We will also be looking at word solving strategies.

Math: As mathematicians, students will be exploring fractions and number lines.

Science: As scientists, students will be exploring fast and slow changes that cause the Earth's surface to change over time. We will also begin our unit on Weather and Seasons.

Homework Schedule

Monday: Math Sheet

Read for 20 minutes

Tuesday: Read for 20 minutes

Practice High Frequency Words

Wednesday: Math Sheet

Read for 20 minutes

Thursday: Read for 20 minutes

Practice High Frequency Words

Friday: Reading Log Due

Read for 20 minutes

Individual Student Devices

We have noticed many students bringing in their personal technology devices. We encourage this as a third grade team; students are more than welcome to use these devices in the educational setting. It is pleasing to see so many students involved in their learning and enthusiastic to transfer their learning from school to home. With this said, please be aware that should your student decide to bring in their device to use for educational purposes, they are responsible for this device. We have discussed this with the students and would appreciate your support, as well!
