

What's the Word in 3rd?

Reminders/Important Dates

- **June 10:** Field Day
- **June 12:** Last Day of School!

Curriculum

Reading: As readers, students will practice fluent reading by participating in Reader's Theater.

Writing: As writers, students will practice writing for various purposes studied throughout the year.

Math: As mathematicians, students will review area and perimeter concepts.

Homework Schedule

We strongly recommend your child continue to read with you for 20 minutes each night.

A Note From The Teachers

Summer Learning for Camden Station

As we approach summer break, we know students, families, and teachers are looking forward to sunny days and fun! We hope you realize that students will be off for 67 days. Consider what would happen if you took 67 days off practicing something you are just learning and becoming proficient with... the first few days of driving, learning how to golf, learning a new job, etc.

We hope you spend time working with your child several times a week, encouraging lifelong learning by reading with him/her or practicing math skills.

A summer learning letter/ incentive will come home in Tuesday Folders this week. We hope it gives you a place to start working with your child in a fun way!
